"Grease The Musical" is set in the 1950s in a high school in the working-class neighborhood of Rydell. The story primarily takes place at Rydell High School and follows the lives of a group of teenagers, focusing on the romance between Danny Zuko and Sandy Dumbrowski. And how about Rizzo and those Pink Ladies? The setting reflects the pop culture and social dynamics of the 1950s, including the music, fashion, and teenage subculture of the time. It's a lighthearted and nostalgic portrayal of the era, with the characters and their relationships at the center of the story. Remember the movie with John Travolta, Olivia Newton & Stockard Channing? Well, here's a chance to bring back all those great memories live and on stage with yet another amazing Suncoast Broadway production. **Includes a pre-show "all inclusive" luncheon buffet.**
