*And the rockets red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there!*

Thanks to everyone including Parkway Tavern manager Karen Muncey and her team, Sun Communities, our Homeowner's Association and a host of volunteers for another awesome July 4th celebration complete with hot dogs and hamburgers, picnic sides and of course watermelon. A special "shout out" to Sean and Keith Rankin and Greg Bernier for a truly amazing and spectacular fireworks display honoring those who fought and won our freedoms and liberty and honoring those who fight to protect and safeguard them; and thanks to the morning after clean-up crew (Patrick Winchester, Sam Judy, Bob Purdy, Bob Schutt and Karen Muncey). thank you

We would like to thank the Sunshine Committee for their thoughtful gift and for thinking of us during Bob's recent heart procedure. He made out fine, thank goodness. Thank you again Sunshine Committee. It gave us a feeling of belonging to a wonderful community.

Bob & Ruth Thomas

Thanks so much to the Sunshine Committee for the gift card I received after my cervical ablation. Our community is truly blessed to have such a caring group.

Thank You!

Val Lebo

Thank You!

Our grandson Hank would like to thank ALL of his customers and friends for supporting his business this summer. A special "thank you" to Ms. Karen and friends at the Parkway Tavern and Ms. Joy who provided root beer and ice cream after pulling weeds. Our granddaughter Lori says "thank you" too. We really appreciate your support for the young entrepreneurs.

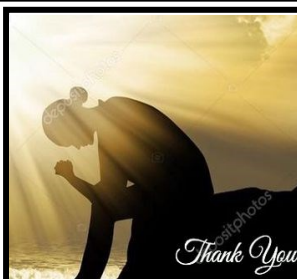

Tom & Desdie Eberman

Thank you...

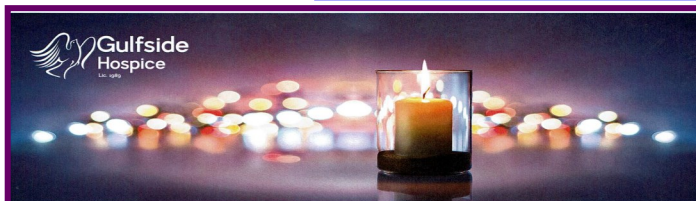

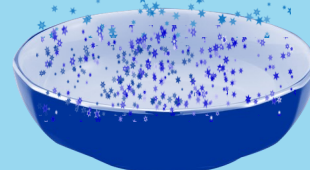

The words "Thank You" are not enough to express our appreciation for everything this community has done for myself and my family during this very difficult time starting with Val Lebo and Mary Ann Danes and the Bereavement girls. Thank you everyone for the food, the cards, the visits and the phone calls. I am so blessed to live in this wonderful community. Thank you again to all of you.

SPREADING SUNSHINE

Welcome to summer! Our population is low but needs are high! We have several residents with chronic and complicated health issues. These people will be unable to participate in social activities for awhile and thus, will appreciate cards, calls and visits. Please keep them

in mind when reading the Sunshine reports.

Also a reminder that we have medical equipment available for residents and their guests. This equipment is on loan and at no charge. Call Tim Carman at **618-978-8564**.

Men are welcomed and encouraged to join us on the Sunshine Committee!

SEPTEMBER 2023 BUS TRIP

THE BEAUTIFUL SUNKEN GARDENS

THURSDAY
SEPTEMBER 28TH 2023
\$53.00PP

St. Petersburg's oldest living museum is a botanical paradise in the midst of a bustling city. The 100-year-old Sunken Gardens is home to some of the oldest tropical plants in the region. Meandering paths guide visitors through a living collection of thousands of plant species, tropical plants and flowers with lush demonstration gardens, cascading waterfalls, and a flock of flamingos. In 1911 a plumber named George Turner, Sr. purchased the six acres that would later become a world famous botanical attraction. Using an elaborate maze of clay tiles, he drained an ancient lake on the property leaving a rich muck soil that was ideal for his favorite hobby - gardening. Neighbors so enjoyed strolling through Mr. Turner's garden, that by the early 1930's he was charging a nickel for tours. George's wife, Mrs. Eula Turner shared her husband's love of plants and played a large role in establishing the gardens as a landmark. Their children and grandchildren continued the family vision and created this unique tropical garden with its flowing ponds. If you love all that is nature and all that is beautiful, this trip is a must. **Includes lunch at the Big Apple Chinese Buffet.**

**BUS LEAVES THE LITTLE CLUBHOUSE PARKING LOT AT 8:30AM
AND RETURNS AT APPROXIMATELY 4:00PM**

GIVING THE GIFT OF LIFE

They give from the heart; and because of them and folks like them, hundreds and thousands of lives are saved each and every day. And all it took was about an hour of their time and it didn't cost a dime. In fact, they each received a **OneBlood** \$20 gift card, a **OneBlood** T-Shirt and a few other gifts as a small token of "Thanks" for caring enough to do what they do.

WOMENS CLUB ANNOUNCES UPCOMING EVENTS

The Women's Club along with our HOA is sponsoring the **Red Carpet Event** which will be held on Sunday, August 6th, from 6-9pm in the Main Clubhouse. **Tickets can be purchased on Wednesday, August 2nd from 9:00-11:00am in the Coffee Cafe and at the door the evening of.** Hope to see you all there. We continue to collect school supplies and/or monetary donations (given to Carol Dziki at 3620 Ranger), for the **Chester Taylor Elementary School**, located on Morris Bridge Road. Last day to donate will be August 5th.

Two Good Soles Program - Our community exceeded our expectations last year, so we decided to again participate in the Pasco County Two Good Soles program which collects new closed toed shoes and newly packaged socks for students in need. Collections boxes will be placed in the Main Clubhouse lobby the middle of August through October 8th. Larger sizes are greatly appreciated. If you wish to give a monetary donation, we will shop for you. Donations can be given to Cindy Judy, 3938 Ranger Parkway.

Southport is such a giving community and we appreciate all you do to help those in need.

HOA NEWS *Barbara Holdridge, President*

The HOA Board thanks Parkway Tavern Manager Karen Muncey for donating the food for the 4th of July festivities. We danced the night away and then were enchanted with the awesome fireworks by General Manager Sean and his crew. A GREAT BIG thank you to Karen, Sean and his fireworks team.

Now here we are in the heat of summer and by the time you read this, we may still not have a pool. Yes, we realize it's very frustrating for everyone, including me (I use the pool every day to exercise). Sean is doing all he can to get it up and running. On a positive note, pool tiles are being replaced during this pool shut-down. Sean is doing a fantastic job of ensuring that we are an exceptional 55+ Community. The mission of our Homeowners Association is to enhance the quality of life through assuring the good and proper management of common areas, ensuring the enforcement of rules and covenants, and supporting initiatives that strengthen the bond among residents. We also recommend capital improvements to the owners of our community that will benefit the greater good of our community and residents. In fulfilling our mission, we will always value honesty, fairness, firmness, equity, common sense, participation, respect, and cooperation in all our actions.

Your HOA is way more than just an entertainment organization. Some of the completed improvement projects proposed by your HOA include pickleball lines in the tennis court, pavers to stop golf carts from riding on the sidewalk, replacing loose pavers on the sidewalk and around the pool, painting the entryway lighthouses, updating the microphone system, new chairs in the clubhouse and new chairs in the Coffee café for the new poker tables that will arrive soon. There is also new furniture coming for the foyer.

Your HOA is here to ensure our community's voice is heard. If you have any requests, please put them in the HOA box and sign your request so we can address them.

The 9:00am Wednesday Coffee Gatherings will be back starting Wednesday September 6th and our monthly HOA meetings will begin again on Tuesday September 12th at 7:00 p.m. in the main clubhouse.

Be safe and enjoy your summer.

Barbara

OFFICE STAFF UPDATE

Sean Rankin, our community's General Manager recently announced Patricia Hall's promotion to Assistant General Manager. Patricia actually joined the Sun Team as its Sales Coordinator back toward the end of 2021. Congratulations go out to Patricia and we wish her well in her new position. If you haven't yet met Patricia, stop in the office sometime and introduce yourself. She has a friendly and welcoming smile and a great personality.

Taking Patricia's place as Sun's Sales Coordinator is Marilyn Hines. Prior to joining the Sun Team, Marilyn was the Office Manager at Settler's Rest, another Sun 55+ community located here in Zephyrhills. Marilyn moved to Zephyrhills in 2019 from Melbourne which is over on the East Coast of Florida where she worked as the Events Coordinator for The Majors Golf Club in Palm Bay.

Marilyn and her husband Earl actually came to the U.S. back in 1999 from Johannesburg, South Africa at which time she was working as a Bank Broker for Standard Bank. She and Earl are avid travelers having toured most of Southern Africa, most of Europe and most of the contiguous U.S. She loves painting, decoupage, interior decorating and loves to cook and bake. Says she's not a great golfer but likes to remind Earl that she did get a Hole in 1 on a par 3. Stop in sometime and introduce yourself. You'll be greeted with a great smile and a friendly hello.

SPS VET'S COMMITTEE UPDATE

The new Veterans Administration Clinic in Zephyrhills is now open. It's a plus for our local veterans' community that has been waiting for years to gain more local VA clinic access closer to home. Many services needed by veterans are now here and under one roof. Services available at the new clinic include audiology, physical therapy, podiatry, a pharmacy, women's

health clinic, and others. The new facility is located at 37827 Eiland Blvd and will primarily serve veterans in East Pasco.

A Florida VA grant program will help fund dental care for

more of our veterans. This new bill expands the Veterans Dental Care Program Grant within the Florida Department of Veterans Affairs to offer more grant money for eligible non-profits to apply for and provide dental care to Florida veterans. The U.S. Department of Veterans Affairs reports that just 15% of

veterans are currently eligible for dental services through the VA. About 85% of the veterans receive no dental care through the VA. *"You have to be 100% disabled, have an oral injury, or have an oral injury at the time while in service,"* said a spokesperson from the Wounded Veterans Relief Fund, the first program in Florida to fill the gaps beyond local resources that may serve veterans in a single Florida county. The passage of this bill will allow approved non-profits to apply for more grant money

through the VA.

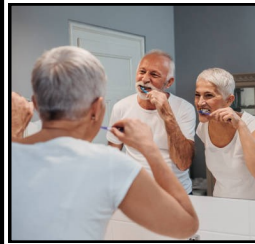

The VA should be able to help hundreds or more veterans. State Senator Danny Burgess sponsored the bill and has said that at the state level we are addressing a big need. Burgess, a vet himself, saw the need and acted when he served as the Florida Department of Veterans Affairs Executive Director. It is a public/private partnership through the Department of Veterans Affairs.

GOOD DENTAL HEALTH

Good oral/dental health translates to good health overall. Dental problems such as cavities or gum disease can

impair your ability to eat and speak properly, cause pain and bad breath. And what many people may not realize, is that poor dental health can have a profoundly, negative affect on areas outside of the mouth, including your heart, diabetes and chronic inflammation, such as arthritis to name a few.

Studies suggest that the bacteria in gum disease can travel to your heart and cause heart disease, clogged arteries or stroke. Important to note is that diabetes reduces the body's resistance to infection, making the gums more susceptible to infection, which can adversely affect blood sugar. **P.S. Don't forget to floss.**

TERMITES IN CENTRAL FLORIDA

Bob Gallion rcgallion@gmail.com

A question I'm often asked regards mulch and termites. Residents want to use wood mulch around their house and yard to suppress weeds. However, some say that they've heard that wood mulch may attract termites towards the house. What is the real story? The termites that cause the most damage in the U.S. are subterranean types that live in underground tunnels and emerge to eat. However, the types of wood we convert to mulch aren't amongst a termite's favorite foods.

It's the damp soil underneath the mulch that attracts termites, not the mulch itself. The best mulching strategy for avoiding termites may be no mulch but that would dry out your plants and soil. Mulch can provide an ideal environment for termites, but it does not attract them towards your house. As any gardener who has done much spade work can attest, digging is much more difficult in hard dry soil than in damp ground. So, tunneling termites who happen to stumble across the soft conditions under the mulch in their wanderings are likely to set up house there simply to take advantage of the easy digging.

As Donald Lewis from the Iowa State University puts it, *"There is no evidence that the moist conditions attract termite foragers. Rather, they just wander in. Rather than look for signs of termites in your wood mulch, it's more important to look beneath and around the mulch."*

Evidence of termites surrounding mulch can include mud tubes found running up on concrete blocks, accumulations of termite wings and sightings of flying ant like insects. If you see these signs, contact an exterminator. Although we routinely discover termites in wood chip mulch, it is very unlikely that they feed heavily on wood base mulches. In other words, termites have a hard time staying alive on a diet of wood base mulch.

The University of Kentucky cooperative extension agrees that termites prefer higher quality wood such as construction debris that may be buried in the area or left under the home or foundation. You are much less likely to find debris at manufactured home communities than at site-built homes. No matter the mulch type used, it's important to make sure a buffer is created between the building and the edge of the mulch bed.

To avoid creating a damp environment that may lure termites to the mulch, the ground near the base of your home should slope slightly downward, away from the structure. This will help ensure water drains towards the yard. Apply mulch 3 inches thick. Thicker applications will allow more passage ways to be formed. Should you decide to use something other than wood mulch as required by Sun Communities, you need to get the alternate mulch selection approved prior to its application by the community manager.

DIAZ INSURANCE GROUP

Manufactured Home Insurance Specialist

Why insure your manufactured home? Because it's an uncertain world, and a top quality insurance policy can give you peace of mind. It's a way to protect your home, belongings, your family and your lifestyle.

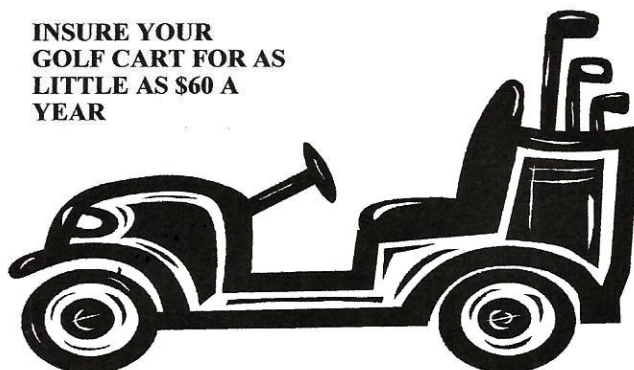

Most manufactured home insurance policies provide two basic kinds of coverage. But the amount and degree of coverage can vary dramatically from one policy to another. That's why it's so important to choose an agency that is familiar with insuring manufactured homes properly. Do your research. A professional agent can help you figure out the coverage and limits you need.

Dave Dundas, President

Happy August to All - We are now in the Dog Days of Summer with very hot and humid conditions for the month ahead. As always, please make sure you drink plenty of water out there on the course. Also, with all the rain we need to watch where we drive our carts while on the course. It's "our" golf course so please, we need to remember to fill our divots and rake the sand trap shots. I've gotten calls about outside players, and as many of you know, many of them don't respect the course. We do have players in tee shirts and no collars playing the course. Also pulling their cart right up to the greens or not fixing the sand traps after their three or four swings to get out (LOL). If you see any of this, please report it to the golf shack as well as a ranger. If it continues after your call to the shack, please report it to Earl or Sean in the Management office. Earl has told me he wants to know when there are issues such as these and when there's no response from the shack or the rangers. I'm working on getting us a Labor Day Scramble and will provide more information as I get it. All league times will remain the same thru August and September. I'll be getting together with Earl in September to discuss the winter time schedules and will publish it as soon as the date and time changes have been established and will include it in the October newsletter. There won't be another golf meeting until mid-September. In the meantime, take it easy out there in this heat.

Regards,
Dave

7 YEAR OLD BOY KILLED IN GOLF CART ACCIDENT

Monday, July 17th - Last month, officials in Fort Meyers sadly reported the death of a 7-year old boy who was killed by a golf cart operated by his 3-year old brother. The incident occurred as the younger brother began to approach a curve near a home in Fort Meyers and hit his 7-year old

brother who was standing in the front yard. The accident left the 7-year old critically injured who was taken to the hospital and pronounced dead after arrival.

This is a sad, but stark reminder why no one under 16 years of age and no one without a driver's license is allowed to drive a golf cart here in Southport. Fact is that unfortunately more than 6,500 kids are seriously injured in golf cart accidents every year. **Please grandparents...don't let your grandkids (or great grandkids) drive your golf cart! Tell them it's because you love them.**

That Florida was the 27th State. It joined the union on March 3rd, 1845

I'm thinking about taking acting lessons ... those hot lifeguards don't come out to save you unless they REALLY think you're drowning.

Medicare Made Easy

BY DENA BUNIS

Does Medicare pay for second opinions?

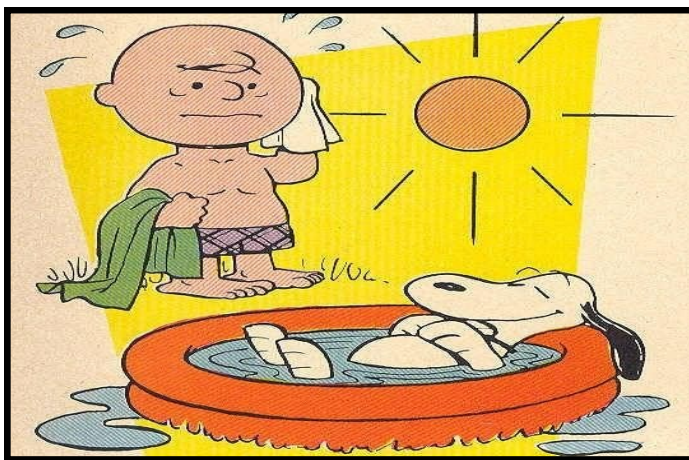

Yes. Original Medicare pays for a doctor visit to get a second opinion when your initial doctor recommends surgery, a major nonsurgical therapy or a major procedure needed to diagnose an ailment, such as a heart catheterization or gastroscopy.

Even better: If one doctor suggests one thing and another recommends the opposite, Medicare will cover a third opinion. Just note: You or your supplemental insurance would have to pay the standard 20 percent coinsurance for each doctor visit.

Individual Medicare Advantage plans may have different rules and costs for second and third opinions. So if you're enrolled in one, check first before booking that second opinion appointment.

EDITORIAL Joe Grigolevich, Editor

"Roll out those lazy, hazy, crazy days of summer, those days of soda and pretzels and beer. Roll out those lazy, hazy, crazy days of summer, you'll wish that summer could always be here". The song sung by Nat King Cole was released in May 1963 and shot up to #3 in the "US Hot 100" list and stayed there most of that summer. To this day, I find myself singing the words under my breath every so often during the summer; especially when it gets really hot like it did this past month when the temperature here in Zephyrhills hit 99 degrees on July 5th. Another song that pops into my head during the summer is "Summertime, and the living is easy...", remember that one? It's from the movie "Porgy & Bess" starring Sidney Poitier and Dorothy Dandridge released at the beginning of summer in 1959 and quickly became that summer's #1 Box Office hit. As I think about it, there was a whole string of songs about summer back when we were young like "Here Comes the Sun" by the Beatles and "Summer In The City" by The Lovin Spoonful and "California Girls" by The Beach Boys and "Summer Nights" by Olivia Newton John and "Under The Boardwalk" by The Drifters and "Itsy Bitsy Teeny Weenie Yellow Polka Dot Bikini" by Brian Hyman just to name a few.

If you lived up North, one of the things you looked forward to (especially by the time February and March rolled around) was summer. By that time, you pretty much had it with shoveling snow, walking to school in sub zero temperatures, scraping ice off your windshield and building a snowman in late February wasn't quite as much fun as it was in December. As a matter of fact, I don't think I ever built a snowman in February! From the moment school let out for summer vacation all the way through August, it was fun, fun, fun. And yup, there were plenty of hot days; especially by the time August rolled around. Cars didn't have air conditioners, so we rolled down the windows. Most homes up North didn't have air conditioners either, so up went the windows and in went the window fans. And we headed down to the lake or to the nearest swimming hole just about every day to cool off. And we loved it! Ronnie Dove had it right when he sang "These are happy, happy summer days when the morning sun promises another wonderful day and good fortune is all along the way". So, enjoy the summer and enjoy the here and now. And yes, it can get hot and yes, our electric bills are a bit higher this time of year. But hey! This is Florida and don't forget what those heating oil bills looked like back then up North in the middle of January. By the way, I did a little checking. On June 26th, 1897, the temperature soared to 108 degrees in Gadson County, Florida and it hit 108 degrees on July 5th, 1909, in Jackson County and hit 109 degrees on June 29th, 1931, in Monticello, Florida and hit 108 degrees in Miami on August 23rd, 1992 just to name a few record-breaking days (and there were plenty more over the last century). And they didn't blame it on climate change either because hey, this is Florida. So, grab a bottle of water, your noodle and head down to the pool and enjoy all that is summer. It'll be gone before you know it.
