HONORING OUR VETS

Saturday November 11th - One by one, they came forward and stood before the "Wall of Honor" and we applauded each of them and their service to our Nation. As always, it was a moving ceremony as we bowed our heads, gave thanks and remembered those who served but are no longer with us. Because of them and men and women like them, "**Freedom Rings**"! Following the ceremony, everyone gathered at the Main Clubhouse for a great pancake breakfast.

TO THE GIVERS OF LIFE - 'WE THANK YOU!'

They give from the heart; and because of them and folks like them, hundreds and thousands of lives are saved each and every day. And all it took was about an hour of their time and it didn't cost a dime. Thank you guys for caring enough to do what you do. Because this was our **"Thanksgiving Blood Drive"**, we raffled off two turkeys compliments of our very own Parkway Tavern. Winners were new residents and first time donors Lee Casteris and Joy Shevely. That's Lee pictured above on the left.

By the way, **42** donors was a **'Record Breaking Number'**! So let's set another record breaking number next time around. Let's shoot for **50** donors! By the way, some folks have said they would love to give but can't since they work. So the next Blood Drive will be held on a **Saturday, February 10th, 2024**. See you then on the **BIG RED BUS!**

Bookmarks of Inspiration

THE CHRISTMAS STORY

You've heard it said, "Christmas is for kids"

And most likely this is true
But you could be 100 years old
And Christmas would still be for YOU

Because you are a child of God
Your age will NEVER change
The fatherly love He has for you
Is mysterious, but really not strange

For you truly are His creation
Just ponder that thought for a while ...

How does it feel to be God's heir
Certainly it should make you smile
Because of the birth of God's sinless Son

We celebrate and give Him glory
But remember this day is for everyone

It's all part of the Christmas Story

© Fran Landry

Have a Merry, Holy Christmas!

"EVERYONE WHO BELIEVES
THAT JESUS IS THE CHRIST IS
BORN OF GOD, AND EVERYONE
WHO LOVES THE FATHER
LOVES HIS CHILD AS WELL."

- 1 John 5:1

Zephyrhills

WELCOME TO BOOOVILLE

Tuesday, October 31st - Our annual Halloween Golf Cart Parade definitely did not disappoint! The **HALLOWEENIES** were out in full force ready to have a bit of fun and ready to spread a bit of spooky cheer. And the fun-filled spectators along the parade route definitely added to the fun! Taking 1st Place and winners of the \$50 cash prize were Cindy Demers and Sallie Merrill. Coming in 2nd and winners of a \$30 cash prize were Mike & Winnie Quartucci and taking 3rd place and winning \$20 were Chris Gale and Kitty Addis. A great big thanks to the judges Susan Slater from The Zephyrhills News and her friend Sandra Delcourt (aka/Sandy Beach).

HOA NEWS *Barbara Holdridge, President*

The clock is ticking and Santa is on his way. Have you been naughty or have you been nice? This certainly is a busy time of the year. There are so many HOA events happening this month. Be sure to mark your calendar so you don't miss any event.

Coming to the end of 2023, I'd like to take the opportunity to thank all the volunteers that have helped during the year. Your support and willingness to help is greatly appreciated. Thank you! The HOA Board recently had a Statutory meeting with Community Manager

Sean and Sun management to discuss several concerns. We will share this information with you at our December 12 HOA meeting.

Letters have been sent to all residents to join the HOA. Please consider joining so your voice may be heard at our election in January. There are four positions on the HOA Board of Directors that will need to be filled. If you are interested in becoming a HOA board member, please let the nominating committee know.

Your HOA's mission is to enhance the quality of life through assuring the good and proper management of common areas, to assure the enforcement of rules and covenants, to support initiatives that strengthen bonds among residents and to recommend various capital improvements to the area owners of the community that will benefit the greater good of the community and its residents. We can use everyone's support, so please consider joining your HOA. Here's to looking forward to a successful New Year!

Merry Christmas and a Happy Healthy New Year!

Barbara 

NEWS FROM THE WOMENS CLUB

The Women's Club continues to "spread the wealth" from our summer Red Carpet Event. Turkeys were purchased for the fall food drive; made duffel bags for the Caterpillars to Butterflies organization; made a donation to Toys for Tots and our final drive for 2023 will be providing needed

items to Sunrise of Pasco County, which is a domestic and sexual violence center. A donation box will be set up in the Little Clubhouse from Wednesday, November 29th to Wednesday, December 20th. The Center is asking for twin comforter sets, twin sheet sets, towels, washcloths, shampoo, conditioner, body wash, baby shampoo/body wash, mopping solution, baby wipes, deodorant, dish cloths, oven mitts, can openers, and laundry detergent. On behalf of the Women's Club, we thank the community for their continued support of local organizations in need.

Carol Dziki & Cindy Judy

The HOA Info Series

Your HOA has invited the following speakers to our Wednesday morning Coffee Socials during December and January to talk about various every day issues and concerns and share possible solutions and/or provide contact information (if available) that may offer assistance.

- On Wednesday, December 6th, Dr. Jennifer Miller from Florida Medical Clinic will talk about important health issues associated with hearing loss.
- On Wednesday, January 10th, Dr. Felipe Messias from The Optimize Wellness Center in Wesley Chapel will talk about neuromuscular treatment.

Also:

- On Tuesday, January 16th, Steve & Sara Wasserman from American Senior Benefits will host a luncheon at 11:30am to talk about Medicare and retirement. Look for a sign-up sheet on the main bulletin board.
- On Wednesday, January 17th, Caden Getek from Atlas (a manufactured home maintenance company) will talk about the various services his company provides.

"Friends are to be treasured, not used and abused. Remember that when they agree to lend you a hand."

HO,HO,HO and HAPPY DECEMBER SOUTHPORT SPRINGS!

It's hard to believe that the holiday season is already upon us. I just wanted to take a moment to discuss a couple of important topics as we head into the holidays.

This time of year is full of wonderful foods, but many of those delicious treats can cause plumbing issues if disposed of improperly. Please make sure that you are not washing oils, butter, lard and grease down your drains. This can cause major issues with the septic systems here in the community. Please dispose of these items by placing them in Ziploc bags and placing them in the trash. This will assure all of us a clog-free holiday season.

Per Southport Springs Rules & Regulations, parking is permitted in driveways only. Parking on the grass is not permitted and vehicles cannot be parked on the street overnight. If you have guests that will be staying for a prolonged period and do not have the room in your driveway, please check your guests in at the office and obtain a parking pass for them to park at the clubhouse parking areas.

I would like to thank all of you for being residents here at Southport Springs. On behalf of the entire Southport Springs Team, we wish you all a Very Merry Christmas and a Happy New Year.

Sincerely,
Sean Rankin

Speeding sportscar ends life of mysterious street person

**High-speed hit and run
shakes the night air in
front of the Labachio**

A Las Vegas street person who simply called himself "Harold," was struck and killed by a sportscar around 1:30 this morning. A shocked crowd in front of the Labachio Hotel and Casino watched in horror.

"The car came out of nowhere," said Etta Townner, a visitor from North Dakota. "Everything was a blur. I think it was gray or silver and the driver had on a large cowboy hat, but I'm not sure."

Proceeds To Benefit Southport's Sunshine Committee

WAS IT A HIT AND RUN? OR WAS IT A HOMICIDE???

Does Preston Ellis, Las Vegas' famous impersonator know anything?

Or maybe Mitsy Monroe the "over the hill" showgirl might have a clue.

And then there's "Wild Bill" Billions the poker player. They say he knows everything about everything.

Or Debra Down, the Blackjack dealer at the Labachio who knows a lot of shady folks who hang around casinos.

But the Pawn Shop owner. Yes, I'll bet Jesse Pawnit could shed some light on this.

Oh, Oh! Lisa Ride the limo company owner. She's got connections all over the strip!

SPS VET'S COMMITTEE UPDATE

Thank you for your donations. Your dollars are helping many veterans and their families in need.

Not all Veterans' charities are the same. Ideally, you want to find organizations that are highly rated, trust worthy, and use the donated funds in the right way. Charity Watch is a watch dog group that evaluates charities focusing on how they spend

their money. The higher rated the program's percentage, the more money donated goes to charitable causes versus expenses.

We use this system as an important piece of decision-making information allowing us to move forward and accept or decline to work with an organization. In today's world it provides a needed level of transparency. We need to make sure your donations make a real impact. Several of our choices come from the Charity Watch top 10.

In this area, The Fisher House Foundation helps veterans with travel costs should they need to travel for medical reasons. They are located near most VA Hospitals. K9 Partners for Patriots, in Brooksville and The Gary Sinise "Snowball Express" program helping Veterans families in various ways.

Additionally, we will help local and smaller organizations as needed such as Support Our Troops in Wesley Chapel and Baldemero Lopez in Land O' Lakes, a state managed nursing home for severely brain damaged veterans, and the Zephyrhills Military Museum.

Donations this year also went towards assisting with the HOA's Fireworks show and to the Bereavement Committee as they support many veterans and their families during the year.

These choices give us more local contact and diversity as we go through the year. A part of our plan. We are proud of our Veterans Memorial Park. Like all manmade structures, preventive and corrective maintenance, and housekeeping are needed yearly. This year masonry repairs were completed, new bricks added, and housekeeping completed. Monies for this work came from brick sales, Chinese auctions, and share the wealth earnings.

Brandon Grooms, who many of you know, cleaned up the area as needed, and power washed the structure. Done at no charge to the veterans committee. We all owe him a thank you.

We know every year there will be costs in this area. How much or what amount we may need to pay out is never known in advance, making it necessary to hold money in the account until raising monies in the future starts back up.

Flags are replaced on a yearly basis. Some may have gotten damaged during storms and need to be replaced earlier than planned. Flags are expensive. The average cost per year is about \$850.00 and rising. We have been very fortunate for the last few years. Through Sean Rankin's efforts, Sun Communities have picked up this cost. It is greatly appreciated. There is no guarantee on a year-to-year basis that Sun will be in a position to assist in this expense. It is our largest expense making it necessary to hold monies in the account until we do fund raising during the fall/winter season and/or hear from Sun Communities in the summer. I do hold donated and earned funds each year until we get all the information needed to know what our cost will be that year.

Without your willingness to donate and help, none of this could happen. Do we need to continue to raise funds?

YES! The veterans population will remain in need. We live longer, our soldiers will have boots on the ground as they are now, and costs in all areas will rise making it difficult to continue our support at the current level.

As an organization we/I spend time urging our politicians to improve and widen their support to our veterans. These efforts have helped. The PACT act has increased the number of health issues not covered before that are associated with Agent Orange and Fire Pit Smoke previously not recognized before. Clinics are being upgraded and moved closer to those vets furthest away from a VA facility. Programs are being developed that make it easier to work with nonmilitary doctors at the VA's cost. Better dental and eye plans are being developed.

Is it your donation of money that makes this happen? No, but your efforts which created changes have lowered the veterans out of pocket costs; another benefit facilitated by our efforts.

Yes, we will need more. There will be fund raisers. We always need help. Our Veterans need these efforts to continue. This year we will spend about \$2200.00 helping the veterans through your donations, maybe a little more or maybe a little less. This amount is close to the monies brought in through donations over the past year.

A savings reserve will continue to be retained. Monies we don't want to spend but have just in case.

Thank you once again from your Southport Springs Veterans Committee.

Bob Gallion

SPS Veterans Committee Chairman

YOUR LAWN

Bob Gallion rcgallion@gmail.com

YOUR CURRENT LAWN IN CENTRAL FLORIDA - PART 1

Most lawns originally installed in the Southport Springs Community were St. Augustine Grass (SAG).

I have been here for 19 years and don't recall any exceptions since that time. Per our prospectus future lawns installed initially and replacement lawns must be (SAG). Any exceptions must be approved by the community General Manager, prior to the start of the turf project. If incorrect, I will let you know

next month.

The expected life span of a properly cared for a SAG lawn is less than 15 years when aerated, fertilized, mowed, and irrigated as required. Stressors such as weeds, drought, heat, insects, and diseases need to be addressed either correctively or preventively on an as needed basis. This year has been very tough on lawns i.e., excess heat, drought, long periods of time when some home sites were vacant, broken irrigation systems and neglect. Age, lack of knowledge, and cost also come into play in some cases for some residents.

The challenge is to bring our lawn to a point of acceptability. Not always an easy challenge. Although fall and early winter lawn care is less demanding than summer's criteria all lawns need attention on a regular basis.

What many people don't realize is the success of your lawn's summer green up depends on the maintenance and care that goes on now that our rainy season is at its end.

Winter dormancy is a natural process in which warm season grasses; St Augustine, Bermuda, Centipede, Bahia, Zoysia and a few others rest, build-up nutrient storage, and hopefully develop healthier root systems.

Cool season grasses such as Bluegrass, Fescue, Rye don't survive our average climate. Rye may be used to overseed in the winter but will die off as daytime temperatures reach the 80°F range in Spring. It also uses up a lot of nitrogen from the soil slowing the green up process in the spring.

The purpose of dormancy is for the lawn to conserve its nutrients survive the drought and lower temperatures it may experience during and after the first frost, usually around January third. Warm season grasses do not enter dormancy until mid-winter when temperatures are at 65°F or lower. While we can stay at 65°F or more all winter, the lack of rainfall and reduced time of sunlight slows down or stops new growth. Each type of warm season grass has its own growing and dormancy periods however the difference is minimal.

We have a mix of grass types in many yards. Many SAG lawns are in good shape and other blended lawns look good. Some are overtaken by weeds and may need to be replaced. Others are lawns that have died out over time and the grass was replaced with wild Bermuda, Field Bahia and/or weeds. Replacement is probable when these conditions exist. More are a mix of bare spots and weeds. These need to be replaced.

To ensure fast green up in the Spring, apply low nitrogen content fertilizer after the hurricane season is over but before dormancy begins. As dormancy begins the grass blades will turn grayish/brown. While the grass looks sick and dying it is just dormant. Its roots are still alive and developing. Root development is more important than having green blades during the winter season.

The current laws in Pasco County prohibit the use of any fertilizer containing nitrogen until the hurricane season has ended. We will discuss this issue in more detail next month.

Fall is one of the most effective times to apply a preventive treatment of fungicide. Early winter is a primary time for a fungal disease outbreak. When your lawn browns out in dormancy the discoloration due to active fungus growth becomes very hard to see until the grass greens out in the spring. Your lawn requires irrigation while dormant. The amount of H2O will be less, but 1.5 inches/week is needed.

Bob Gallion

Retired Master Gardener, Pasco County

VERY CRAFTY

Christmas was in the air as you wandered in, around and about the Main Clubhouse last month at our Fall Craft Fair. As always, there was an abundance of pretty amazing craft items available for Santa to fill those stockings come Christmas Eve which by the way, is just around the corner. And as always, the Fair organizers did an amazing job.

MORE CRAFTY THINGS

BIG NEWS FROM THE SUNSHINE COMMITTEE

This is the last newsletter for 2023 and we have big news! The Sunshine Committee held it's annual Bake Sale Fundraiser on Saturday, November 4th in conjunction with the Southport Springs Craft Fair. There are so many people to thank for the success of this event; to begin with is the team of eight ladies who arrived before 7:00am to package and price the baked goods and who sold goods throughout the day.

And a HUGE thank you to everyone who "baked and bought" and contributed money to this event. Southport is such a generous and giving community! There is none better and we are all so lucky to live here.

So, here's the big news - we made **\$2,015.00** (which is significantly more than last year) to support our work here in Southport. Once again want to thank everyone and here's wishing you all a Happy Holiday Season. As always, prayers are helpful and requested for everyone.

A HUGE THANK YOU TO EVERYONE WHO DONATED TO OUR BASKETS FOR OUR FUND RAISER AT THE CRAFT FAIR. Thanks to all of you the Bereavement Committee made \$635. As you know, all money raised stays in the community and is used when a resident has a luncheon for a deceased spouse. Again, thank you everyone, including the girls who donated their time (Winnie, Joann, Maryann & Val). Thank you.

SOUTHPORT'S POT LUCK RECIPE OF THE MONTH

**Cindy Judy's
Sweet & Sour Carrots**

Ingredients:

1 lb. carrots - sliced
1 medium green pepper
cut into 1" squares
8 oz. pineapple chunks
1/3 cup sugar
1 Tbl. Cornstarch
1/2 tsp. salt
2 Tbl. Vinegar
2 tsp. soy sauce

Instructions:

Cook carrots in salted water for about 15 to 20 minutes. Add green peppers and cook 5 minutes. Drain off water. Drain pineapple reserving the juice. Add water to make 1/3 cup of liquid. In a saucepan combine sugar, cornstarch, and salt. Stir in pineapple liquid, vinegar and soy sauce. Cook and stir until bubbly. Stir in vegetables and pineapple chunks.

Enjoy! It's a great Holiday side dish.

COCKTAIL HOUR

Dick Knoles, Resident Mixologist

**Jack Frost
Cocktail For 4**

Ingredients:

3 cups frozen pineapple
2 cups vanilla ice cream
1 cup pineapple juice
3 oz. Coconut Rum
3 oz. Blue Curacao
Shredded coconut and
softened ice cream for garnish

Instructions:

Place frozen pineapple, ice cream, pineapple juice, coconut rum and blue curacao in a blender. Cover with a lid and blend until smooth. Dip the edges of the glasses in softened ice cream and roll in shredded coconut. Pour the drink into the glass and enjoy. You can also put a couple of mint leaves and a maraschino cherry on the drink for a more festive look.

To make it very special, make a batch and freeze it. Once the drinks are made, put a small scoop of the frozen drink into the glass to keep it chilled. The frozen drink can also be served as a dessert and eaten with a spoon.

This isn't a very potent cocktail so it's easy for everyone to enjoy.

Merry Christmas & Happy Holidays

DIAZ INSURANCE GROUP

Manufactured Home Insurance Specialist

Why insure your manufactured home? Because it's an uncertain world, and a top quality insurance policy can give you peace of mind. It's a way to protect your home, belongings, your family and your lifestyle.

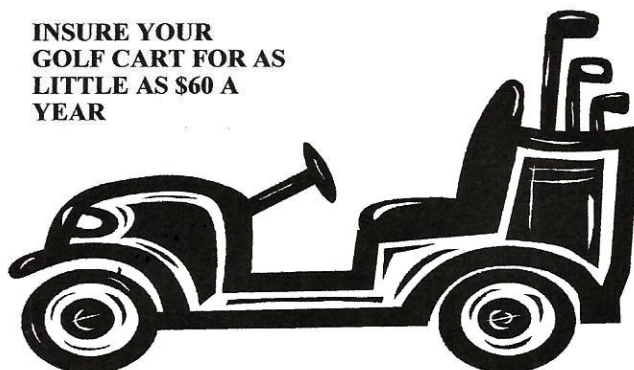

Most manufactured home insurance policies provide two basic kinds of coverage. But the amount and degree of coverage can vary dramatically from one policy to another. That's why it's so important to choose an agency that is familiar with insuring manufactured homes properly. Do your research. A professional agent can help you figure out the coverage and limits you need.

Golf Association

Dave Dundas, President

Happy December. Was kind of nice to get some rain in November as it is normally a dry month. We are now into full league groups on the course as well as outside tee times being booked. So, for the next 4 months the course will be busy. I got with Earl Hines on the club championship and it will be set for March 16th & 17th at 8am both days. Looks like the Ryder Cup and Golf Association fund raiser will be set on a Wednesday with dates in January and February to be determined. I will have those dates and will announce them at our December Golf Meeting. Watch for the sign to go up as to the December meeting date.

I understand that we will have a new golf course maintenance company replacing IGM at the start of the new year. The new company is a large national tree and landscaping company. So, we hope they bring in some awesome equipment to handle our course.

Big news for those who do not know already...there will be no increase to the members golf fees for next year. Please make sure all members go to the golf shack to sign the member forms for next year. Also, to pay for your Ghin and get your new sticker for the carts. The Saturday league will not resume until April and that is only if someone volunteers to run the Saturday Scramble. Earl said at this time with all the play on Saturdays it would be impossible to have a scramble. He said all players and couples can still make their individual tee times to play.

I will be getting with Earl on the dates for the Ryder and the Fund Raiser. Also, on any updates as to our course on what plans are for next year as to upgrades etc. Please attend our December golf meeting so our committee can fill you all in and answer your questions.

Please do not forget to fill your divots and rake those traps. Be kind to all the players on our course and if you see any violations, please report them to the golf shack. Hopefully we'll have a mild winter here in the Sunshine state so we all can enjoy our winter here at Southport Springs.

Regards,
Dave

DID YOU KNOW?

That the highest grossing Christmas movie of all time is "The Grinch" bringing in over \$512 million dollars worldwide. The runner up is "Home Alone".

That the first State to declare Christmas as a holiday was Alabama in 1836. The last State was Oklahoma in 1890.

That the word "Xmas" actually dates back to the mid 1500's and gets its roots from the Greek letter "X" which is the first letter in the Greek word for Christ.

Christmas trees have been sold in the U.S. since 1850. Currently, between 25 and 30 million of them are sold here in the U.S. alone and it takes approximately 15 years to grow the average Christmas tree. There are approximately 15,000 Christmas Tree Farms here in the U.S. with a combined growing area of 350,000 acres.

EDITORIAL

Lori Pettit, Ass't Editor

December is here already. It seems like only a few weeks ago we celebrated the Fourth of July.

It's now time to drag out the holiday decorations and plan the gatherings with friends and family. I think what I enjoy most about the winter holidays is the food. Those special recipes that are saved for family gatherings:

sweet potato casserole, fresh baked rolls, homemade cranberry sauce and baked apples with the red hot cinnamon candies sprinkled on top are my favorites.

Holiday meals with my family usually meant lots of playtime before and after the meal. Often we gathered at my paternal Grandparents home out in the country. The family raised sheep and cows. Their home was rather small but somehow we managed to squeeze everyone into a spot around a table. There were six children in my Dad's family. If everyone came home for Christmas, we had 13 grandchildren and 14 adults in the house. I was always excited and happy to see my cousins at my Grandparents house. Some of them lived in exotic locations like Idaho and Florida and it was rare to see them more than once a year.

I was a picky eater when I was a kid. One food could not touch another food item on the same plate. I would not eat lima beans, fish, or any meat that was wild. My Dad's family were hunters. They hunted deer, wild turkey, squirrels, groundhogs, and rabbits. One never knew what type of meat would be served. I was always suspicious of the dishes that Grandma prepared. Because I was determined not to eat wild meat.

One Christmas dinner there was a lovely looking roast being served. There were lots of us crowded around the table. We were seated at the round table in the kitchen.

Everyone was talking and passing around the serving dishes. I put some roast beef on my plate next to the mashed potatoes and gravy. The meat was really tender and flavorful. I noticed that my Aunts and Uncles were watching me closely. Something didn't seem right. I complimented Grandma on the tender roast and delicious gravy. Then I asked "what kind of meat is it?"

"It's venison heart," she replied. I had been tricked! I was outraged that no one told me we were having deer parts for dinner.

The shock of how I had enjoyed the taste before I knew what I was eating. I had thought for certain that wild meat would taste bad. I thought there was no reason to eat wild meat when meat could be bought at the grocery store. I learned then and there to suspend one of my picky eating habits.

Many years later, I dined with my partner's family on Thanksgiving Day. They were native Floridians from a small farming community. I did not recognize most of the food on the table: collard greens, black eyed peas with fat back, tomato gravy and oxtail stew. I loaded up my plate

with a little bit of everything. I did not ask the origin of any ingredient. The meal was delicious.

A CHRISTMAS MEMORY

While serving in SAC, USAF in California (my home being the Cleveland area) I only got home once in 4 years. I fortunately had the qualifications to become a DJ in two local cities on Sundays. The last Christmas I was away from home, during my broadcast I casually shared that fact but lamented that so many in Nam had it so far worse. I took requests for songs to play. The phone rang and I asked what they would like to hear played. But it was a lady with a different request. She had her whole family in for the Holiday and asked me to please join them. It wasn't my home and family, but they had heard me and wanted to include me in theirs. I was flabbergasted. Nothing like this had ever happened to me. I was so grateful and glad to join them. They treated me so well. I tasted my first-ever crab meat and had a wonderful time for many hours with them. That was Christmas 1966. I made a point, the next Christmas, when I was once again home, to call them, wish them Merry Christmas, and tell them just how much that meant to me and how my family appreciated what they did for me as well.

"Wild Bill" Peterseim
