This year will be a sad Christmas for me. The reason is that for the past 20+ years I have taken on the role of the man with the white (gray) beard and the bright red suit & trousers. Due to current health reasons, I cannot accept any invitations to provide children (& adults) with the magic of the season. However, I do have numerous fond memories of this

wonderful time of the year when I would don the uniform and spread the good cheer. One memory I will never forget is my first opportunity to visit some children at their home. I had confidently planned an exciting entry into their home in full uniform and provide the children with a fun-filled few hours with Santa. I drove to the house, parked a few doors down so the kids would not see me get out of my vehicle, and stepped out onto the street. Immediately I dropped my small bag of goodies for the kids. When I stooped down to pick up these goodies, without any hesitation my trousers slipped down to my knees. I quickly grabbed the top of the pants, yanked them up as high as I could, gripped them as if in a vice so they would not fall again, and hobbled to the house to visit excited children. As I was clenching the trousers and hobbling down the street, I could hear children and their parents behind me yelling "Hey Santa, come here for a visit." I could not acknowledge them in any way without losing my pants. I just kept hobbling and ignoring the neighbor's invitations. Finally, I made it into the house of the children who were anxiously awaiting my arrival. Still clutching the top of my trousers, I hobbled to a Lazy Boy rocker in the living room. I plopped down and proceeded to wiggle and wiggle and wiggle some more to get my trousers into a respectable position. I finished my visit with the children and sheepishly asked the parents if I could use their restroom. Of course, no one in the house really knew what a quandary I was in. I do not remember exactly what I did to resolve this issue, but I eventually made it back to my vehicle with no trouser slips. First time in uniform and 2 lessons learned. Wear suspenders and always, always do a trial run before making my confident arrival. As you celebrate this Christmas with your family & loved ones, think of Santa hobbling down the street trying to keep his trousers up.

**Merry Christmas to all and to all a good night!**

## Sunshine Committee Bake Sale

The Sunshine Bakery held its annual Bake Sale Fundraiser November 9. This community raised \$2,500. We thank everyone who baked, bought and contributed cash, and those who volunteered their time for packaging, pricing, set up, take down, and sales. I want to thank Barbara

Goodyke for her generous contribution of baked goods. Other members of the team included: Lee Casteris, Lee Edwards, Jan Wheeler, Vivian Challen, Corey Strawn, Bridget Ebdrup, Carol Dziki, Carol Coffaro, Marge Miller, Patti McConchie, BJ Rambo, Fran Fusco, and of course, Cindy Judy. Karol McGinn, *Sunshine Team*

*"I just want to thank all the wonderful people in Southport Springs who reached out to me when my Joey passed away. It was a painful journey for him and now he is at peace. Thank you also to the Bereavement Committee for their gift card. I have learned that living in this community is truly a blessing."* — Joan Nous

*We recently had a Celebration of Life for my husband Dick Clark. I want to thank everyone for coming. I also thank Sandy Fenlock and her wonderful group of ladies for everything they did to make it so special. Thank you also to Val Lebo. Thank you from the bottom of my heart God Bless you all!*

*Esther Clark* ❤️

*A big 'thank you' to the Sunshine Committee for the Publix Gift Card. My 10 day stay in the hospital was certainly unexpected and quite an ordeal. The calls, cards and prayers were greatly appreciated. A special thanks to Linda Reschke and to Judy Winslow for bringing food for Spurgeon and Alane during my absence and a VERY grateful thanks to the three individuals who donated blood for me. My love to you all — Lou Tucker*

## MEET & GREET

The "Host with the Most" Mike Strawn welcoming new residents to Southport Springs.

## SOUTHPORT SPRINGS HOA 2024 NEW RESIDENT MEET & GREET

The event this year was another great success due to the incredible teamwork by the Welcome Committee, Committee and Group Leaders, the countless people who pitched in to do whatever was necessary, along with the HOA Board.

We had 46 new residents at the event which started with them being seated at a table with other new residents where they could exchange stories about how they came to SPS, and forge new friendships. They were also served pie and their choice of coffee or soft drinks. We then had representatives from each Committee and Group give a brief presentation of the various activities and groups that are available for the new residents to join. We had a time when everyone could visit with those representatives to receive more information; and even sign up to participate in those groups or activities. We ended the festivities with a great variety of giveaways that included 7 beautiful gift baskets, Gift Cards for the Tavern, 2 Tavern Drink cups, several bottles of alcoholic beverages and wine. We ended the giveaways with a gift card from "Buzz's Power Wash" to one very fortunate new resident. As always, we had plenty of help cleaning up afterwards. We look forward to our next group of newbies that we can celebrate with the same enthusiasm and appreciation. Thanks to all of our new residents, and welcome to the greatest community in Florida.

Mike Strawn, *Welcoming Commitment Chairperson*

## NEWSLETTER EDITOR CLARIFICATION

I may not have been clear when I informed residents of my objectives as SPS newsletter editor. Hopefully the next few sentences will correct any misunderstanding. You might notice that there is no article or photo(s) for the November Craft Fair in the December newsletter. This is because I did not receive any for this event. This is my request to all residents. If you are at any SPS event and want to share what is happening, please provide me, via email, with the event name, photo(s) and a brief description of the event. I do have 2 volunteers helping with this, but they cannot be at every event. Your event feedback is appreciated and will be included in the next month's newsletter.

## Cocktail Hour

**Dick Knoles,**  
*Resident Mixologist*  
**Jack Frost Cocktail**

### Ingredients

#### For 1

¾ Cup

½ Cup

¼ Cup

¾ oz

¾ oz

#### For 4

3 Cups Frozen pineapple

2 Cups Vanilla Ice Cream

1 Cup Pineapple Juice

3 oz. Coconut Rum

3 oz. Blue Curacao

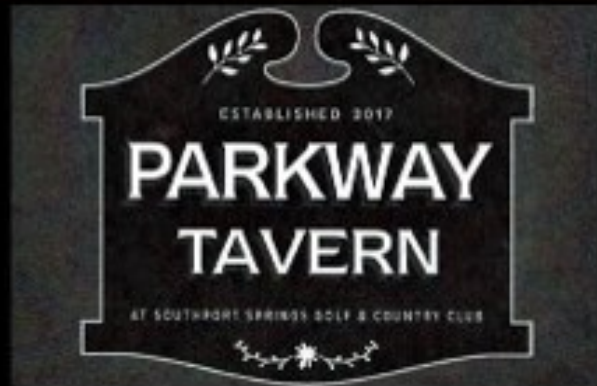

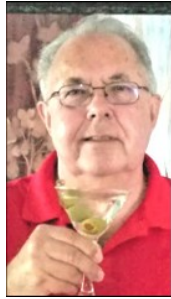

Shredded coconut and softened ice cream for garnish. Place frozen pineapple, ice cream, pineapple juice, coconut rum and blue curacao in a blender. Cover with a lid and blend until smooth.

Dip the edges of the glasses in softened ice cream and roll in shredded coconut. Pour the drink into the glass and enjoy. You can also put a couple of mint leaves and a maraschino cherry on the drink for a more festive look. To make it very special make a batch and freeze it.

Once the drinks are made put a small scoop of the frozen drink into the glass to keep it chilled. The frozen drink can also be served as a dessert and eaten with a spoon.

This is not a very potent cocktail, so it is easy for everyone

to enjoy. This has always been a favorite for the Christmas season and more so if you make the Jack Frost Ice Cream and use as a garnish in the drink.

## HOA NEWS

Hi Everyone! I hope you all have been good because you know Santa is watching. 🧑🏻‍🎅

December is a very busy month for everyone. We are having a special HOA members only event on December 7th to thank all of you for supporting the HOA. Without the support of the residents there would not be a HOA. There are two seatings for this event one at Noon and one at 5:30 p.m. Unfortunately, the 5:30 seating is sold out, but there are still tickets available for the Noon seating. We are serving either prime rib or ham, baked potato, veggies, salad, roll and dessert. If you are interested in the Noon seating please give Lauri Smedburg a call so we can plan the food needed.

It would be nice if everyone could come together and work together to make Southport Springs an even better community to live in.

We are also having a Community Christmas party for all residents on December 11th, with two seatings. One at Noon and the other at 5:00 p.m. Unfortunately, the 5:00 p.m. seating is sold out, but please join us at Noon for Chicken Parm, pasta, salad, roll and dessert. All residents are welcome. Just sign up or call Lauri Smedberg so we can plan the food needed.

New Years Eve is right around the corner. We will be having a dance with Nunes at Night from 8:30 p.m. to 12:30 a.m. These tickets will go on sale December 4th from 8-10 a.m. in the Clubhouse. Tickets are \$25.00 per person. We will be serving finger foods and a champagne toast at midnight. Come bring in the New Year and enjoy the fun!

The statutory meeting was held November 12th, 2024 to discuss the rent increase and other topics. The 5% increase that they have incorporated is because our prospectus says they can. Also looking at the JTL report (Market Reports for Manufactured Homes) we are very compatible with similar parks. This increase will start in January. Items that will be addressed in 2025 are the following, the dog park, shuffleboard courts, pool tables, tennis court, pickleball and horseshoes. Looking at how we can extend the ballroom to accommodate more residents for events. Also, what can be done for streets flooding if another hurricane should ever hit again and there is no exit for residents? Corporate will look into this. The gate is working, but the screen is not. Sean thought it be best to leave it open until the screen could be fixed because if you have guests coming they could not get in. The parts have been ordered. We also asked if the gate could be changed to something simpler. It will be looked into in 2025.

*(continued in the next column)*

We will be having our annual election on January 18th, 2025 in the clubhouse at 10:00 a.m.

We have three open board positions that need to be filled. If you are interested in running for the board, please let Desdie Eberman know as soon as possible. If you want to have a voice in the election, you need to join the HOA by January 17th, 2025 in order to vote. You can find membership forms in the Little Clubhouse or on the HOA website. Thank you in advance for joining. After the election we will be ordering new phone books for the community. Please check to see if your information is correct. If it needs to be changed, please contact Ruthann Brown.

The mission of our homeowners association is to enhance the quality of life through assuring the good and proper management of common areas, to assure the enforcement of rules and covenants, and to support in the initiatives that strengthen bonds among residents. We will recommend improvements to the owners of the community that will benefit the greater good of the community and its residents. In fulfilling our mission, we will always value honesty, fairness, firmness, equity, common sense, participation, and respect in all our actions. Let's all come together to make Southport Springs a great place to live.

Merry Christmas 🎄 Happy New Year 🌟  
Barbara Holdridge, HOA President

# The “80s Ladies” Luncheon

## A Ladies 80's Celebration

More than seventy Southport ladies got together last month to celebrate and honor two ladies who, over the years, have dedicated so much of their time and energy in helping to make Southport the amazing and wonderful community that it is. Honored for all their hard work and dedication were Lee Edwards (*aka Madam Mayor*) and Sandy Fenlock. Chances are you've see both of these ladies volunteering to help out with so many of the events that take place here in Southport. Because of Lee and her team, things like

the monthly Potluck Dinners, Pizza Parties, Ice Cream Socials and BINGO all run like clockwork and thanks to Sandy and her 'Celebration of Life' team, honoring those who have gone before us is always made truly special and beautiful. Thank you, ladies; and thank you to all of you ladies who help make Southport so special. A great time was had by all who attended this great event.

## FROM THE HEART

A million thanks to everyone who took the time to donate the "Gift of Life" at last month's Thanksgiving Blood Drive. Southport really hit

it out of the park this time around! Two of our amazing supporters (Sean & Lorene Rankin) always donate a \$50.00 gift card to raffle off to donors if we have at least 25 donors and said they would up it to \$100.00 if we had 40 or more donors. Guess what.....we had 41 life saving donors sign up for last month's drive. How amazing is that! Winner of the \$100.00 gift card was Diane Hagerty from over on Arrowwood Drive and winner of the \$25.00 Publix gift card donated by our HOA was Rita Earls from over on Bubba. As an extra special "thank you", our OneBlood rep Brian Olson raffled off two Thanksgiving turkeys. Winners of the two turkeys were Art Clement from over on Arrowwood Drive and Bonnie Gilmore from over on Russian Olive. We'd also like to give a big "Shout Out" to Karen Muncey, Parkway Tavern Manager who always donates a coupon for one free beer, wine or dessert to every blood donor for each drive. Thanks again to everyone who stepped up to donate and a special thanks to Sean and Lorene Rankin, Karen Muncey and our HOA for their generosity and continued support. Peace and God bless.

## SQUIRRELS: A GARDEN ENEMY

Squirrels may look sweet and harmless, but these curious critters can cause major destruction in your garden beyond carelessly knocking over some pots or planters. Squirrels

enjoy digging up bulbs, burying seeds and nuts which can hinder a primary plants growth.

It's important to keep "Rocky" and his buddies out of potted plants to prevent them from destroying your flowers, vegetables, and herbs.

Here are some ideas that may help you win this battle.

Sprinkle coffee grounds on your soil. The taste and smell of coffee is pleasing for many, but squirrels don't agree. Coffee grounds are a natural repellent for the varmints and are easy to mix into your soil. Don't throw the coffee grounds away. Not only are the grounds beneficial in deterring Rocky but are beneficial in other ways. Acid-loving plants such as Azaleas, Roses, etc. also benefit from the grounds. While needed in the garden as a deterrent and a source of acid, it also contains nitrogen to act as a safe source of fertilizer in containers and around garden plants.

There are several oils you can use to deter squirrels including mint, cloves, and lemon grass.

Some have used bone or blood-meal. Caution is needed as these two items can be toxic to pets. In my opinion you should avoid using this type of treatment if you own dogs or cats.

One of the primary reasons squirrels dig in pots is to store excess foods like seeds, nuts, and acorns.

With this said, another simple way to deter the squirrel is to make the soil more difficult for them to access. You can achieve this objective by laying chicken wire or netting over the soil. Another way to enhance your planters and deter squirrels is by adding flowers that they avoid like Marigolds and Nasturtiums because they emit a scent that Rocky, and the Gang don't like. Pinwheels in planters will work as a deterrent for a while but squirrels are smart making this short term. You are best off pairing this up with coffee grounds or scented oils.

They, Rocky and the Boys are tough to beat. But these ideas should provide some leverage

# NOVEMBER BUS TRIP

Last month's bus trip brought us back to The Suncoast Broadway Dinner Theater to see the hilarious and side-splitting off-Broadway production of "Menopause". It was non-stop laughter as the four ladies gave a "Tony Award" winning performance singing the songs we listened and danced to way back when and which will never quite ever be the same again ("*Only you and you alone, can thrill me like you do*"). As always, dinner was delicious and the cheesecake amazing.

## DECEMBER 2024 – SPS VETS COMMITTEE UPDATE

VA's funding cut proposals have sparked concerns regarding the potential ramifications on services vital to Florida veterans' health and well-being.

As the support pillar of those who served the nation, the U.S. Department of Veterans Affairs (VA) brings forth crucial services including medical care, mental health resources, housing needs, and employment.

The proposed budget cuts threaten to diminish these services that countless Veterans rely on.

The VA is a cabinet-level executive branch dedicated to supporting vets and their military service. It operates three administrations: Veterans' Health Administration, Benefits Administration, and our National Cemetery Administration.

Each year, congress allocates funds from the federal budget to support the VA's range of services to Veterans. The department then distributes these funds to health care, compensation, education, and other supportive services.

In fiscal year 2022 around 50.5% of the VA's budget was earmarked for veterans compensation, related to service-connected disabilities and other items such as service-related deaths, pensions, etc.

Congress is facing budgetary constraints amid conflicting priorities, resulting in debates on fund allocation. As a result, budget cuts affecting several government programs including those administered by the VA, have occurred. Recently Congress rescinded 2.6 billion in unspent funding from previous years targeting medical services and modernization of health care facilities.

In a nutshell, the VA funding cut includes reduced access to care, increased backlog of claims, prolonged waiting for benefits, cyber security growth, and the continuing deterioration of the VA's infrastructure,

My opinion Veterans are again getting treated poorly while money flies out of the country for citizens of other countries. If you are upset with this action, please contact your local congressional representative.

Congresswomen Laurel Lee, 202-225-5626, represents us in the Florida's 15th district.

Bob Gallion

## GOLF ASSOCIATION

Happy December to all.

Many Southport Springs golfers have been playing other courses over the last few months to get in their golf fix. Very soon we will have our course back. The clean-up continues in our community. Our park is getting top treatment compared to many of the parks in our area. By the time you read this the course

will be getting closer to opening. Earl hopes all will be reopened by December 15<sup>th</sup> or sooner. Also, there will be a sign-up sheet put up for a January 1<sup>st</sup> Hickory Club Golf Event that anyone can play in. Watch for the sign-up sheet to go up. Once course opens, we will then put up our sheets for league play with the start times.

Lots of work getting the course back to playable condition. When we do start to play on our course again, lets all take care of it by replacing all divots, rake the bunkers and obey the rangers when they speak to you. This is the best time to play golf here in Florida with our beautiful weather. Have a great Holiday season to all.

Thank You,

Dave Dundas / Golf Association President

### ***I asked Earl to update me on November 20<sup>th</sup>.***

Here is his update;

I anticipate an opening date of Dec 15<sup>th</sup>. We will be over seeding the entire golf course starting tomorrow. We have had some issues with the pump station. Seed germination will take approximately 7 to 10 days, then we will mow and roll greens. Around the 1<sup>st</sup> week of December. Should be good to go by the 15<sup>th</sup>.

As far as the leagues are concerned, we will try to accommodate the Southport groups where they were playing before the storm. That will change on the 1<sup>st</sup> of January to the winter times.

Please add into your newsletter that we have a Hickory Golf event on Jan 1<sup>st</sup> and anyone is welcome to play, they have Hickory rentals clubs if anyone wants to hire some. We could get a sign-up sheet so we can have an idea of players. Ladies are welcome play.

Thanks.

# LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

***Call today for a FREE Under Home Inspection***

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
