HAPPY MOTHER'S DAY MOM!

Editor's Note: When I think of Mother's day, I can't help but to think of one of the sweetest and most fun loving Mother/Daughter Teams I have ever had the privilege and pleasure of knowing than Mariaelena Smith and her daughter Michele. So with that said, I asked Michele if she would be willing to share a few thoughts about her Mom as we all take a moment to remember, celebrate and honor that very special person in our lives come this Mother's Day. Here's what Michele had to say:

My mom is not just "my mom", she is my best friend, hero, rock, support group and I'm her biggest fan! She has always been there for me, in the good times and the bad. No matter where life takes us, I know I can always count on her to be there with her support, love, and guidance. I have always been able to sit and talk with my mom for hours trying to solve the problems of the world while those hours only seem like minutes. My mom has always loved Elvis and she raised us to enjoy his musical talents as well by always entertaining us with

his music. I remember how excited we all were (my sister Janice, myself and our Mom) to sit down in front of our TV and watch Elvis' 'Aloha from Hawaii' via Satellite back in 1973 (that's me, the tall one in the back :) It was the concert of the century! The year before Elvis passed away, my mom took me to see him in concert. It's a concert I will never forget! A memory that we will always share together and still talk about today. For one of my mom's big birthdays we took her to Memphis so she could visit Graceland with her granddaughters and see Elvis' home and final resting place. Now she shares her love for Elvis and his music with her granddaughters and has her Sirius XM radio playing the Elvis channel 24/7 every time you get in her car!

Growing up, my mom was always cooking and she's a great Italian cook. She made wonderful Italian dishes for us for dinner and delicious Italian cookies that would take all day to bake. She has baked with me and my daughters many times through the years teaching us all her mom's and grandma's great recipes. I have a lot of wonderful memories and stories I could share about my mom that would go on forever. I do know that when my mom leaves us to meet Elvis in the 'Big Blue Sky', it will be that we never had enough time to spend with her. Happy Mother's Day Mom....and Happy Birthday.

Love you always.

Michele

Thank you...

Many thanks to Mary Ann and Sandy and the Bereavement Committee for the lovely sympathy cards and gift card. I also want to thank everyone for the cards and supportive words. To Libby and Steve our deepest appreciation for your thoughtfulness. Sue has been with my son and me through this difficult time and we love her dearly. Everyday will be a celebration of Marty's Life for me.

Linda Trent

THANK YOU just isn't enough. Members of the Bereavement/Celebration of Life Committee want to thank everyone in our community for your help and support. In April we had two luncheons within a week, and all of you make that possible. We are so blessed to live in such a wonderful place. As we always say, we can't do this without you. From the bottom of our hearts, thank you so very much.

Thank you

To ALL of my Southport Springs Family: I want to thank you from the bottom of my heart for the prayers you said for me during my hospital stay. I still need them so please keep them coming. Most of you know I have lung issues but now heart and blood pressure are coming into play. I so appreciate your love and concern. Thank you to the Sunshine Committee and Diana Knoles for your visit and gift card. I love you all so much. Thank you. God's Blessings

Be a Light!

Do you ever wonder
What you could do
To make this world
Seem fresh and new?
Well, how about starting
With a great big smile
That brings to someone
Cheer for a while
And as you grin
Take a moment to pray
That person may need
God's help today
Just think! This globe
Would shine so bright
So smile and pray
And to the world ...
BE A LIGHT!

WOMEN'S CLUB

Members of the Women's Club were kept pretty busy with a bake sale and food drive this past month. The Bake Sale made over \$1,550 and donations have already been given to the Chancey Christian, Presbyterian, Methodist and St. Joseph's Church pantries. In addition, donations were given to Healing Hearts Cafe who provides meals to those in need. On behalf of the Women's Club, we thank the Southport Spring residents for your continued support of our service projects. You are all so awesome!!!

SUNSHINE COMMITTEE

Greetings Everyone ~

First, please note that Cindy has changed her Email address to: cinjudy622@gmail.com. Going forward, announcements will be sent from this address. If you no longer wish to receive these emails, please notify Cindy.

Sunshine members are a busy group of volunteers and we continually encourage new members to join us. We have very few meetings and attendance at those meetings is never required. Weekly notices are posted via email, Facebook, and postings on the clubhouse bulletin board. If you are called upon to visit someone, what you do is deliver a gift certificate to that person. Gift certificates are provided to you by either of us. If you would care to join our committee, please by all means, feel free to contact one of us.

In an effort to serve the community even better, we've designated Cindy to be the contact person for Russian Olive, Jomar, Azinger, Bubba, Rockrose and Witch Hazel. Karol will be the contact person for Arrowwood, Privet, Buttercup, Aralia, Clubber, Ranger and Southport Springs.

We want to thank all of our Sunshine Committee members for their dedication and this community for their love and support. YOU'RE THE BEST!

And A New Day Has Begun...

Thursday, March 28th - Our March bus trip brought us to The Suncoast Broadway Dinner Theater to see Andrew Lloyd Webber's production of **'Cats'**, the longest ever running show(21 years) on London's West End Theater District. It also ran on Broadway for 18 years closing in 2000 after 7,485 performances. **'Cats'** is based on *'Old Possum's Book of Practical Cats'*, a 1939 book written by T.S. Elliot and is about of tribe of cats called the Jellicles that get together one night a year in a junkyard to celebrate their unique abilities, traits and differences as they wait for their leader, the elder cat Deuteronomy to decide which one of them will be sent to Heaviside (cat Heaven) to be reborn into a new life. On this particular night, one washed up old cat by the name of Grizabella tries a number of times to be a part of the celebration but is shunned by the other cats for her ragged coat and colorful past and is repeatedly hissed away. However, she's eventually accepted and allowed to join in the festivities, and by the end of the night it is she that Deuteronomy decides is the one worthy to be reborn. **'Cats'** is a wonderful and beautiful portrayal about accepting one another despite our differences. If you've never seen it, you owe it to yourself to do so. By the way, the Suncoast cast was perhaps one of the best Off-Broadway troupes to have performed this amazing and masterful musical.

HOA NEWS *Barbara Holdridge, President*

April showers bring May flowers - can you believe it is May already? Our snowbirds are leaving. It is sad to see them go, but we will look forward to them coming back in the Fall. We wish them all a safe and healthy summer.

Ruth McGovern has been Southport's Notary for many years. She will be leaving us in the near future. She will be greatly missed. Thank you Ruth for your many years of service. Rita Swain has volunteered to notarize

your Homestead form. Her phone number is in the phonebook. Thank you Rita for stepping up.

Joe Grigelevich has volunteered for the past eight years doing our Southport newsletter (The Southport Sun). Joe will be greatly missed. He's done a wonderful job with our newsletter. We thank him for his many years of dedicated service and wish him well. If anyone is interested in taking over as co-editor of the newsletter, please contact me or any member of the HOA board (see contact info on pg. 24).

Water Aerobics has begun on Mondays and Wednesdays at 10:00am. All are welcome. Bring your noodle and let the fun begin! We're looking for a volunteer for Fridays. If you're interested, please contact me or any member of the HOA board. Your HOA board has many fun events scheduled for the summer. You can check out these events on the HOA webpage, on the marquee, postings in the Little Clubhouse, the Big Clubhouse and the newsletter.

Our last meeting before summer begins will be May 14th at 7 PM in the Big Clubhouse. Hope to see you all there. We wish everyone a safe and happy Memorial Day!

SOUTHPORT SPRINGS SECURITY COMMITTEE

Monday, April 8, 2024 - Members of the Southport Springs (SPS) Security Committee met in the Little Clubhouse to discuss its purpose and mission and to establish a charter. Current members of the committee are Tim Carmen, Mike Skupin and Art Clement from over on Arrowwood Drive, Laurie Dixon and Dave Schmidt from over on Ranger Parkway, Gerri Highland from over on Azinger Loop and Jeanette Dundas from over on Wintersweet Lane. Chairing the committee are HOA Board Members Mike Strawn and Teresa Hall.

Essentially, the purpose of this committee will be to develop safety guidelines and make recommendations that will assure that our community maintains an optimum level of safety. Some of the items initially discussed included Lightbulb, Solar and Powered Cameras as well as Motion Sensor and Solar Powered Lighting. Also discussed were Golf Cart Wheel Boots and Power Disable Switches and Safety Alert signage.

Finally, it was noted that two important aspects regarding community safety is "Neighbor Awareness" and "Proper Incident Reporting" to the Paso County Sheriff's Office. It's always a good idea to know your neighbors and have their contact information and to let each other know when you'll be away for an extended period so you can contact each other in the event of an emergency.

For more details you can go to the HOA webpage to view the full detailed report.

SPS VET'S

The Pasco County Tax Collectors office has a new mobile unit for driver's license and ID card services called (PCTMU.) It is now available to remotely be able to process ID cards and driver's license services for Florida residents that live in Pasco County.

This new mobile service also provides services to nursing homes and assisted living facilities as well. Those who are unable to travel to one of their offices may now schedule a visit from the unit to have these relevant documents reviewed. This new service comes to you and not the other way around. In many cases, they claim "same day" service may be available. For more information contact Vickie Stroup at 813 929 2731.

Another service in the area that has helped many others is our local branch of Meals on Wheels. This year they celebrated their 50th anniversary. It is used by many, including some of our veterans here in Southport.

Most seem to believe it is just for our more senior people. In fact, it is available to most of those in the community who are struggling to eat well. Food is cooked fresh daily and delivered to your door. Recipients may also save money on groceries and eat nutritionally. There is a minor cost. Overall, you receive great savings. Many veterans continue to volunteer to help out as well as many participate in the program itself. Volunteers are always needed. You can reach our Meals on Wheels at 813 782 2793 or 813 782 7859.

Besides meal delivery they also offer a program called Bone Appetit Pet Program, a library program, and an incontinence supply program. Very helpful where needed. We hope this information is helpful.

WHAT IS ROOT ROT (RR)?

Bob Gallion rcgallion@gmail.com

Root Rot is exactly what it sounds like. A plant's roots start rotting and can no longer absorb water and nutrients effectively. Most often RR (Root Rot) is caused by overwatering, poor drainage of water from the container, or rain water puddling long after the storm or periods of irrigation ended. Overly saturated soil deprives plant roots of the air they need to grow. If conditions don't improve quickly the plant may die. This rot prob-

lem can quickly spread within the root system. "Lauren Landers"

Although over-watering is the most common cause of RR, it can also develop due to harmful soil dwelling bacteria and fungus. These plant pathogens thrive in overly damp soil and spread by fungus gnats which are attracted by overly damp potting mixes and decaying plant matter. If you ever had a house plant that seemed wilted but looked worse every time you watered, your plant may have been a victim of RR. Although a few other plant pests and diseases can also cause house plants to wilt, develop yellow leaves, and suffer from leaf drops, Root Rot also causes all these conditions as well.

When plants look stunted, leaves appear dry, yellow, or pale, with brown blotches, many gardeners water more which can actually create a serious root rot problem. Because many RR symptoms mimic other plant problems, the best way to positively identify root rot is to remove the plant from its container and inspect its root system.

Healthy roots should be firm and usually exhibit a white or cream color. ☆NOTE. Some are naturally black.

However, if some plants have black, mushy, or smelly roots that crumble when touched, root rot is most often the culprit.

If you suspect plants are struggling with rot, you first need

to stop watering then reassess your irrigation schedule. After the soil dries out plants with mild RR may recover on their own. Plants with advanced RR may be saved using the same method. However, most will die as

the root ball may be too large and will not perform.

Plants in the ground do not tend to have a high potential for Root Rot. Why? Our soil is very sandy and does not hold water. Container grown plants on the other hand, are made up of organic compounds which hold water. **Note:** You cannot use native soil in containers because the sand will not hold water.

Hope you enjoyed the article. See you around.

ABSOLUTELY NOT ALLOWED!

So, that time of year is fast approaching once again when the grandkids and great grandkids and their folks will be visiting on their way to one or more of the awesome attractions we have here in the Sunshine State. For their safety and the safety of everyone around them here in Southport, it's important that they

understand a few very important safety rules. First...do not let them "sweet talk" you into letting them drive your golf cart! Each year there are more than 6,000 serious golf cart accidents involving young people under the age of 16; some resulting in permanent life changing injuries. You don't want and we don't want your grandchild or great grandchild to be one of those statistics. **So please.....do not let them drive your golf cart.** Secondly...If you see a young person driving a golf cart, please report it immediately to the community office.

A second reminder to those visiting is that for the safety of everyone concerned, jumping into the pool or running around or near it is **absolutely prohibited.** Here again, the last thing we need is to see the local Rescue Squad taking someone to the hospital with a serious life threatening injury. Rules are not meant to punish...they're meant to keep everyone safe.

Golf Association

Dave Dundas, President

Hello All,
Winter is now behind us and spring is turning to summer. Many of our resident snowbirds have left for their other homes. As you all can see the golf course is being worked on and the trees are being trimmed. The course looks completely different with all the areas that have been cleared out. This is the first time on our course that the fairways have been done with the large punched holes. However, it made it difficult for an accurate

shot when your golf ball hit them and went sideways. Much more work is to be done on our course over the summer. There will be a few changes to a couple holes on the front nine over the summer. The work on the greens should also be done by the time this article comes out.

The group tee times have been changed to our summer time schedule. The summer golf times are in this newsletter and are also on the wall frame in the lobby. We will also have a golf meeting in May so just watch for the sign to go up. We will also have a golf fund raiser late summer/ early fall. It is always a fun event with a scramble, chipping and putting contests and share the wealth. The fund raiser is required to raise money for events such as the Club Championship, Golf Leagues and Match Play Luncheons. Also, for items such as Printer ink and paper, golf plaque name plates, etc. So, I hope all will attend the Fund Raiser as it is a fun day of golf for all to enjoy.

The heat and humidity are upon us folks. Please stay hydrated, wear your big hats and lots of sunblock. Please help take care of our golf course when out there playing. Fix your divots and rake the sand traps. Also try to keep you carts on the cart paths as much as possible. We will also be putting together a few golf outings over the summer, so keep a lookout for information and sign-up sheets on our golf board.

To all of our snowbirds, have a safe summer and see you in the fall. For our full-time residents, I will see you out there on the golf course or in my backyard on hole #2 looking for your golf ball LOL....

Regards
Dave Dundas

serve

/sərv/

As a Verb: Perform duties or services for another person or organization. "Mary and John have served the U.S. honorably."

As a Noun: In tennis and other racket sports, the act of hitting the ball. "She was defeated by an aggressive serve."

The oath of enlistment for the United States Military states that service members will:

- Support and defend the Constitution of the United States.
- Bear true faith and allegiance to the Constitution.
- Obey the orders of the President and Officers appointed over them.
- Take this organization without mental reservation or purpose of evasion.
- Well and faithfully discharge the duties of the office.

Every service member swears or affirms to this contract in the performance of enlistment. Allegiance is assumed each day that one dons the uniform. At the conclusion of a service member's term of enlistment they are discharged and assigned a character of discharge. The Certificate of Discharge (DD214) is the official name of the document and the future of the discharged service member hangs on the word/words at the bottom right corner of the document (*Honorable, Dishonorable* or in some cases, *Other Than Honorable*).

Receipt of an Honorable Discharge means you have served with honor and are entitled to supportive services and benefits earned, like money for higher education, home loan guarantee and medical services.

Conduct that is unbecoming of a soldier is, as outlined in the Uniform Code of Military Justice, a "*punishable offense*". There are times when the punishable offense is a diagnosis of a mental health issue that impairs the ability to serve, and some members who are so diagnosed are often administratively released from their enlistment and discharged. Each discharge is assigned a character code. When the government determines that a discharge is for reasons "Other Than Honorable", outcomes are grim and extremely detrimental to successfully transitioning from military life to civilian life.

Making the transition from being a mission directed soldier to a civilian is a process. Charting a path through life with both a mental health issue and a less than honorable discharge greatly complicates the process and can in most instances, withhold needed services from those who pledged to serve. With emphasis on the need to recognize the value of restoring honor and dignity for those soldiers impacted, there is now a path to restoration. You can read more about this topic at <https://www.military.com/veterans-other-honorable-discharge-eligible-benefits-upgrade-status.html>

Thankfully, efforts are underway to help affected Veterans with restoration benefits through a Discharge Upgrade. Resources are available for free online through the Veterans Administration (VA) at <https://www.va.gov/discharge-upgrade-instructions/>. New services are also available online which provide mindfulness and yoga services. The Mindful Resilience and Recovery program and Veterans Yoga Project is a clinically tested program that was developed specifically for veterans recovering from post-traumatic stress and other psychological difficulties and are free anytime.

So, this Memorial Day, please take an oath of service to support the Mental Health of the Veterans in your life by sharing this information and...

God bless our service men and women and God bless America.
